DATE OF BIRTH

December 12, 2006

Skills

- Driving licence (category B)
- PSC1 (first aid certificate)
- CEP 1 (youth leadership training for scouts)
- German A2 certification (DSD)

Languages

French ●●●●●

English ●●●●○

German ●●●○○

Interests

- **Sport:** triathlon, football, tennis
- **Music:** guitar, piano/organ, electronic music production

Currently a student at **ENSEEIHT (Toulouse)**, I am training in electronics, electrical engineering and energy.

What drives me every day? Understanding how to combine these technologies to design smarter, higher-performing systems that will serve national needs.

Thanks to my years in scientific preparatory classes and my commitment to scouting, I love it when technology addresses real collective challenges.

Professional Experience

JUNE 2025 – JUNE 2025

Ticketing Assistant – Musique & Vin au Clos Vougeot (Meursault)

Ticketing assistant for a classical music festival.

ONGOING COMMITMENT (10 YEARS)

Team Leader (Scouting) – Scouts (Lyon)

Involved in scouting for 10 years. Led a team of 7 young people aged 12 to 17 for 2 years. First experience of significant responsibility.

JANUARY 2025

Landscaping Internship – JM Jardins

JUNE 2020 – JUNE 2020

Cabinetmaking Internship (Annecy)

SEPTEMBER 2025 – SEPTEMBER 2027

Logistics & Community Life Coordinator (volunteer) – Toulouse Student Parish

Technical management (sound system, equipment), logistical organisation of shared meals and organisation of community life within the student residence.

Education

JUNE 2024

French General Baccalauréat – Lycée Saint-Thomas d'Aquin

Honours: Très bien (highest distinction).

2024/2025 AND 2025/2026

Preparatory Classes for the Grandes Écoles – Lycée la Martinière Monplaisir

IN PROGRESS

Engineering Student (1st year) – Electronics, Electrical Engineering, Energy and Automation track – ENSEEIHT

Projects & Research

End-of-1st-year internship at ENSEEIHT

I am looking for an internship in the energy and electronics industry to discover these sectors and understand how to develop my skills in the service of a company.
